

## THE FACILITATOR

**Stella Dadzie** has over twenty years' experience as a specialist E6D trainer and her reputation in this field is second to none. She is the author of numerous resources, including good practice guides and e-learning materials to promote best practice in E6D. She draws from a wealth of practical knowledge and is known both for her practical, common-sense approach to E6D and her engaging and inspirational style of delivery.

*"Her comfortable manner and obvious awareness of staff perceptions and insecurities made for immediate empathy and she held everyone's attention throughout"*

Vice Principal - Staff Development Day Evaluation, Oct 09

## THE AIMS

- To raise awareness of the E6D requirements in the revised Ofsted inspection framework
- To highlight what promoting E6D in Teaching & Learning means in practice
- To explore ways of incorporating E6D into Schemes of Work and lesson planning
- To identify ways of integrating E6D into peer evaluation and/or classroom observation

## THE PROGRAMME

The programme (09.30-16.00) will include presentations, discussion and interactive tasks. Lunch and refreshments are provided.

## THE VENUE

The Bemie Grant Arts Centre is a purpose-built multi-arts centre, designed by the award-winning architect David Adjaye. It is 5 minutes walk from Seven Sisters tube (Victoria Line and National Rail) and served by numerous bus routes. The building is fully accessible but parking is limited so the use of public transport is advised.
